

Allegretti Scholarship Video Application

Greetings,

The Fred & Jean Allegretti Scholarship Fund committee wishes to extend to you this opportunity to apply for the Allegretti Video Scholarship valued at \$5,000 to be awarded in the spring of 2017. In total, five, \$5,000 scholarships will be awarded.

This is a one-year scholarship, non-renewable, paid directly to the Financial Aid office of the institution the student is attending.

This scholarship has been established with the following selection criteria:

- Graduating seniors from a public high school in Lee County
- A minimum of 2.5 weighted G.P.A.
- Must participate in school/community activities
- Must plan to attend a college, community college or technical school in the fall of 2017

Application Check List. Your application must include the following:

- Completed written/typed application
- Most recent high school transcript (official)
- FAFSA Student Aid Report (SAR)
- A video application (further video application requirements and instructions are listed on page 3)

With the popularity of YouTube and Facebook, where posting a video is just a click away, video-based scholarships are becoming increasingly popular for students who have other strengths besides essay writing. Video scholarships provide students the opportunity to highlight an array of skills from directing and editing to staging and production. But remember a video scholarship will require a great deal of time and effort. All recipients will be notified no later than May 12th, 2017.

To apply for this scholarship, please complete the attached scholarship application form, along with the video and support documents listed above and return to:
