

ESTERO HIGH CULINARY

To Whom It May Concern,

The first annual “Evening Under the Shadow Wood” will be held this year on Monday December 19, 2016 at Shadow Wood Country Club in Estero, Florida. The purpose of this event is to raise money for the Estero High School Culinary Department with a student inspired three-course meal as well as a silent auction. To ensure success of this very important fundraiser, we are seeking \$100 sponsorships, donations, and contributions to help defray the costs associated with the event, all of which are tax-deductible. This way, all funds raised can go directly to the culinary program.

Generous donors like you are essential to our success and make it possible for the culinary program to sustain its level of excellence. Your contribution of a silent auction item, sponsorship and/or donation will help provide the means necessary to send our culinary competition team to the ProStart Florida State competition. Your support will also help us provide product for students to work with in class, and purchase the necessary equipment needed to upgrade our kitchen. We hope that we can count on your support to help us in our mission to incorporate safe, healthy eating habits, employ proper culinary techniques to the students, and to provide the necessary tools for sustainable, healthy living.

Your \$100 sponsorship to the event will be highlighted throughout the night as well as advertised on the event website page and also on our extensive social media of Facebook, Twitter, Instagram, and Snapchat. There are many options which you can contribute to the Estero High Culinary program and our gala event. This link, <https://squareup.com/store/estero-high-culinary>, will provide access to donate directly to the school account. You may mail your donation to 21900 River Ranch Rd. Estero, FL 33928 or contact me directly by phone (239) 848-2872 or email jeremymj@leeschools.net.

The students and I are grateful for your positive community influence in the education of our young people and appreciate your generosity.

Sincerely,

Jeremy M. Jasper
