Dear Parents/Guardians,

In an effort to ensure students have every chance to excel in our Cambridge program, students may “retake” AICE course exams from the June 2020 Exam Series or take an exam for a class, in which they are not enrolled. Please review your child’s Cambridge exam scores with them, and together make a decision regarding this opportunity. Students will need to contact their prior teachers for review opportunities. Retaking an exam or taking an exam for an unenrolled course will be at the cost of the student.

To allow us time to request an exam from Cambridge, this signed letter must be submitted by Friday, January 29, 2021.
