

Estero High School

Cambridge/AICE Program

Dear Cambridge Parent/Guardian:

It is time to enter students for their Cambridge International Examinations. Included in this communication is a detailed AICE exam schedule, calendar, and form to be returned either in person or electronically. Students have received their Statements of Entry and any record of past exams, so please look over all of the information with your child.

Estero High School has no control over exam times as they are determined by Cambridge International Exams. Some students will be taking more than one exam on a given day. You will notice that exams are two or more days long and if any portion of the exam is missed, Cambridge will not grade any part. Please understand that Cambridge sets the exam schedule and there are no make-up exams. If students are not present during the exam times, they will be fined **\$110**, to cover the cost of the missed exam. If AICE Global Perspectives is not completed in its entirety, the cost is **\$185**. If your child must opt out of an exam for any reason, please contact me directly, to explain your situation. Please return the attached form to Mrs. Foley or one of their AICE teachers, ASAP. **The deadline to return the AICE exam requirement form, or notify me of any conflicts is January 29, 2021.**

Please contact me if you have any further questions. I wish our Cambridge students the best on their exams. They are on their way to earning an AICE diploma.

Sincerely,

Nancy Foley,
Cambridge Coordinator
