By signing below, I understand that literature and content used in advanced coursework are determined by the advanced program of study. Your child will engage with intellectually mature topics and texts. In a given year, every student enrolled in an advanced program around the world is required to read the same "set texts". Please understand any course in any advanced program is equivalent to a college-level class, as the student has the opportunity to receive college credit. A list of course requirements and texts will be available through the advanced program of studies' website or teacher-created syllabus which can be found in your student's Google Classroom and will be sent home for your review.

By signing this form, I acknowledge I have read and understand the subject content, assessment details, and classroom procedures outlined in the course syllabus.
