

Estero High School

Army JROTC

The Mission Of JROTC

“To Motivate Young People To Be Better Citizens”

Our Battalion

Activities

Within the JROTC battalion we have a wide variety of after school activities enabling our cadets to be a part of something bigger than themselves.

Raiders: If you're into working as a team, working out, or even just love having fun outdoors, the EHS JROTC Raiders may just be for you.

Color Guard: Precision Drill team responsible for presenting the US Flag in a ceremonial matter at special events.

Drill: The drill team is a group of cadets that will learn how to do complex and precision drill. This after school activity helps improve your teamwork.

JROTC Leadership and Academic Bowl (JLAB): Teams focused on academics and the JROTC curriculum, practicing for jeopardy style competitions.

Exhibition: A showcase of skill and power by spinning rifles with self-made choreography.

Robotics: A team that builds, programs, and pilots robots to compete in skills challenges.

Cyber Patriots: A group of up to 6 cadets that work together through a series of online competitions dealing with cyber security on different operating systems.

Marksmanship: Teams dedicated to honing their shot on the air rifle for competitions
