Dear Parent/Guardian,

Your son or daughter has shown an interest in holding a leadership position in the Student Government Association at Estero High School. Your child will be evaluated by their teachers on their leadership abilities. In order for your child to run for office, he/ she must have a GPA of 2.5 and must receive positive teacher evaluations. Holding an office requires much time, dedication, responsibility, and after school participation. Those elected to a Class or Student Council Office must enroll in the Student Leadership Executive Internship class next year and sign the Student Leadership Code of Conduct. If you have any questions, please contact the Student Government Advisor, at (239) 947-9400.
