

STUDENT DRESS CODE

The purpose of the Dress Code is to encourage students to focus on the learning process without the distractions of unsuitable dress and grooming. Students shall maintain a clean, orderly appearance at all times.

The responsibility for the personal appearance of the student rests with the parent/guardian and the student. Personal appearance shall not disrupt the educational process. A student who is dressed appropriately is demonstrating a respect for self and others, as well as contributing to a safe and orderly learning environment. The following establishes the minimum acceptable standards for student dress to be interpreted and enforced by the principal or designee. Each principal has the authority with his or her staff and community, as permitted by School Board policy, to establish additional standards at individual schools.

For schools with a uniform policy, refer to the school's student handbook for additional dress code information regarding specific school standards.
